KING EDWARD MEDICAL UNIVERSITY
LAHORE

Welcome TO KEMU

Newly Inducted
FIRST MBBS CLASS
GUIDELINES FOR A SMOOTH START

Your Journey to Become a Doctor Begins Here!

To ensure a smooth and hassle-free admission process, please follow the steps below **in the given order.** Complete each step carefully and keep all required documents ready.

1 MEDICAL FITNESS

Get Your Health Check Done

Complete the medical fitness process from the Designated Medical Board / Hospital as per KEMU instructions.

Required Documents

- CNIC / B-Form
- Recent photographs
- Any previous medical records (if applicable)

2 SUBMISSION OF FEE

Complete the Fee Payment

Deposit the prescribed admission fee in the university bank as per the given details and keep the original receipt.

Key Points

- Fee amount and bank details will be provided separately.
- Ensure the receipt is original and clearly legible.

3 ONLINE DATA ENTRY

Fill In Your Information

Complete the online data entry form on the KEMU admission portal / designated link. Provide accurate and correct information.

Important

- Use your valid email and contact number.
- Double check all details before submission.
- Save/print the confirmation page.

4 VERIFICATION OF DATA

Confirm Your Information

Your entered data will be verified by the relevant department. You will be informed in case of any corrections or additional information required.

Please Note

- Keep checking your email / phone for updates.
- Respond promptly if any changes are required.

5 SUBMISSION OF FILE & ORIGINAL DOCUMENTS

Complete Your Admission File

Prepare and submit your complete admission file along with original documents at the designated Student Section.

Documents to be Submitted

- Admission/registration form
- Academic documents (matric, FSc, etc.)
- CNIC / B-Form
- Medical fitness certificate
- Fee receipt
- Other required documents (as per list)
