Vice Chancellor's Message

It is indeed great pleasure for me to write this message for Annual report 2025-26 of King Edward Medical University, Lahore. This Report will provide information regarding different academic and scientific activities including new developments and training courses, being held at departments / constituent institutions of KEMU.

KEMU's Annual Report 2025-26 reveals high commitment and strenuous efforts that were made jointly by teaching faculty, students, and administrative staff during 2025-26 for keeping up the academic standards and quality of teaching and research work.

I hope and wish that this University will achieve an excellent place in the world by improving the standards of Medical Education and Allied Health Sciences which will bring laurels to the Institution and serving ailing humanity throughout the world.

Prof. Mahmood Ayyaz
Vice Chancellor
King Edward Medical University,
Lahore

Executive Summary

We are pleased to share through this report the achievements of King Edward Medical University, Lahore in FY 2025-26. While publishing the report, we aim not only to fulfill our professional responsibility but also to lay open our strengths and weakness for constructive criticism. The Annual Report provides an insight into the performance and achievements made during to maximize accuracy in the details stated in the report.

Chapter 1 highlights academic activities and achievements while focusing on undergraduate and postgraduate Programs, foreign and institutional linkages, and the honors and awards conferred to KEMU students and staff in 2025-26.

Chapter-2 summarizes research and development activities, including projects; publications; research journals; and conferences, seminars, and workshops, etc. KEMU teaching faculty is actively involved in publishing their research work in reputed national and international research journals on regular basis.

Chapter 3 relates to Quality Assurance. In this section, the impacts of quality assurance in the University have been summarized, while emphasizing the initiatives taken by KEMU Quality Enhancement Cell for the improvement of academic and administrative standards.

Chapter 4 is all about Faculty Development Programs, including opportunities for improving academic qualification, scholarship Programs, pre-service and in-service professional development Programs, etc., whereas student enrolment, employability, and the faculty-student ratio are reflected in Chapter 5. University-industry linkages and career guidance, internship, and placement services have been elaborated in Chapter 6.

Chapter 7 reveals efforts made by the University for strengthening its physical infrastructure, including development projects, laboratories, libraries, research equipment as well as other construction projects. Similarly, details of strengthening technological infrastructures, such as the digital library, PERN, video conferencing, campus management solution, and web portal have been documented in Chapter 8. The focus of Chapter 9 is on the university's role and contributions to building communities. Chapter 10 manifests KEMU students' contributions and achievements in the realm of Sports at national, regional, and international levels.

Chapter 11 summarizes detail of National and International Awards won by Full Time Faculty Members other than scholarships/fellowships. Chapter 12 depicts the financial picture of KEMU during the specified period whereas Chapter 13 provides us with details of the university governance and management system.

KEMU initiatives and strategies to generate and develop financial resources are mentioned in detail in Chapter 14. The student Scholarship and Financial Aid Office is working actively. Medical facilities and counseling services that have been provided to KEMU students and staff in 2025-26 have been summarized in Chapter 15.

The Quality Enhancement Cell of KEMU has worked hard to document and raise the standard of research and academics at this historic and prestigious institute. We look forward to keeping serving KEMU with the same enthusiasm.

Prof. Dr. Muhammad Imran Hasan Khan
Director, Quality Enhancement Cell

KING EDWARD MEDICAL UNIVERSITY, LAHORE

INTRODUCTION

KING EDWARD MEDICAL UNIVERSITY, LAHORE

Introduction:

King Edward Medical University was established in 1860. It is one of the oldest medical institutions in the South Asia, after Medical College Kolkata (1835) in India. Initially known as Lahore Medical College in 1886. Both the college and the attached hospital (Lahore Dispensary) were small compared to the current size.

The first academic building was completed in 1883. The university and the attached hospitals were built piece by piece by the funding and efforts of several dedicated people in the coming years.

In December 21, 1911, Lahore Medical College was rechristened King Edward Medical College, and was updated to the status of an independent, degree-granting university on May 12, 2005

Vision

The vision of King Edward Medical University is to be a renowned national and world class academia maintaining a leading role in medical education, innovative research and provision of best health care services of international standards.

Mission

King Edward Medical University will prepare health professionals in accordance with highest professional standards to practice evidence-based medicine maintaining international quality of patient-centered care in health care delivery system and will produce research scholars demonstrating excellence in knowledge, skills, and ethical values empowered with community oriented self-directed learning and professional development.

Goals

King Edward Medical University will prepare health professionals in accordance with highest professional standards to practice evidence-based medicine maintaining international quality of patient-centered care in health care delivery system and will produce research scholars demonstrating excellence in knowledge, skills, and ethical values empowered with community oriented self-directed learning and professional development.

- To develop and maintain outstanding programs for undergraduate and postgraduate medical students and allied healthcare professionals.
- To provide a conductive learning environment of international standards for education and research.
- To conduct innovative and collaborative research and integrate this knowledge into the practice of medicine & allied health sciences.
- To attract and develop a diverse, talented academic workforce.
- To observe and ensure highest standards of ethics, integrity and compassionate care.

Objectives:

- To attain a position among the highest-ranked national universities (listed by Higher Education Commission of Pakistan) and international world university rankings.
- To create a conductive and motivating learning environment for faculty, students and research scholars.
- To acquire research-oriented culture for evidence based professional practices.
- To conduct high quality assessments and evaluations for academic excellence.
- To encourage professional development by self –motivated and self-regulated lifelong learning in pursuit of knowledge and skill.
- To strengthen a dynamic Quality Enhancement Cell inculcating the tradition of internal and external audits among its faculty, students and support staff.

FACULTIES

- **KEMU has Seven Faculties each headed by a Dean;**

1. Faculty of Basic Sciences
2. Faculty of Medicine & Allied Specialties
3. Faculty of Surgery & Allied Specialties
4. Faculty of Nursing
5. Faculty of Allied Health Sciences
6. Faculty of Public Health & Preventive Medicine
7. Faculty of Dental Surgery

DEPARTMENTS

The University has the following departments;

Basic Science Departments:

1. Anatomy
2. Physiology
3. Biochemistry
4. Pathology
5. Community Medicine
6. Pharmacology
7. Forensic Medicine

Biomedical Sciences:

1. Advance Center for Biomedical Sciences

Medicine & Allied Departments:

1. East Medical Ward
2. West Medical Ward
3. South Medical Ward
4. North Medical Ward
5. Cardiology
6. T.B. & Chest Medicine
7. Dermatology Unit-I
8. Dermatology Unit-II
9. Neurology

10. Pediatric Medicine Unit-I
11. Pediatric Medicine Unit-II
12. Psychiatry
13. Preventive Pediatric
14. Clinical Oncology (Radiotherapy)
15. Nephrology
16. Radiotherapy
17. Emergency Medicine

Surgery & Allied Specialties

1. North Surgical Ward
2. West Surgical Ward
3. East Surgical Ward
4. South Surgical Ward
5. E.N.T. Unit-I
6. E.N.T. Unit-II
7. Orthopaedic Surgery, Unit-I
8. Orthopeadic Surgery, Unit-II
9. Anaesthesia, Unit-I
10. Anaesthesia Unit-II
11. Urology Unit-1
12. Urology Unit-2
13. Ophthalmology Unit-I
14. Ophthalmology Unit-II
15. Ophthalmology Unit-III
16. Obst. & Gynae Unit-I (LWH)
17. Obst. & Gynae Unit-II (LWH)
18. Obst. & Gynae Unit-III (LWH)
19. Obst. & Gynae Unit-IV (LAH)
20. Obst. & Gynae Unit-V (LAH)
21. Cardiac Surgery
22. Neurosurgery
23. Paediatric Surgery
24. Plastic Surgery
25. Thoracic Surgery
26. Oral & Maxillofacial Surgery

Attached Hospitals:

1. Mayo Hospital, Lahore
2. Lady Willingdon Hospital, Lahore
3. Lady Aitchison Hospital, Lahore.
4. Govt. Nawaz Sharif Hospital, Yaki Gate, Lahore.
5. Govt. Kot Khawaja Saeed Hospital, Lahore.
6. Govt. Mian Muhammad Munshi Hospital, Lahore.
7. Govt. Said Mitha Hospital, Lahore.
8. Police Welfare Hospital, Qila Gujjar Singh, Lahore.
9. Mayo Cancer Hospital, Manawan, Lahore.

Hostel Facilities:

1. Boys Hostel – Accommodating 1112 students
2. Girls Hostel – Accommodating 1200 students

Attached Institutes, Schools, and Centers:

1. College of Ophthalmology and Allied Vision Sciences (COAVS)
2. College of Nursing
3. School of Physiotherapy
4. Centre of Nuclear Medicine (CENUM)
5. School of Orthopaedic Technology
6. School of Paramedical Education & Allied Health Sciences

SANCTIONED POSTS (FY 2025-26)

Teaching Posts			Administrative/Technical Staff

8	Basic Sciences	Pathology	M.Phil (Chemical Pathology)	02 Years	Yes	Yes	Active
9	Basic Sciences	Pathology	M.Phil (Hematology)	02 Years	Yes	Yes	Active
10	Public Health & Preventive Medicine	Ophthalmology	M.Phil (Optometry)	02 Years	Yes	Yes	Active
11	Public Health & Preventive Medicine	Ophthalmology	M.Phil (Orthoptics)	02 Years	Yes	Yes	Active

12	Public Health & Preventive Medicine	Ophthalmology	M.Phil (Investigative Ophthalmology)	02 Years	Yes	Yes	Active
13	Allied Health Sciences	Physiotherapy	M.Phil (Physiotherapy)	02 Years	Yes	Yes	Active
14	Public Health & Preventive Medicine	Community Medicine	M.Phil (Community Medicine/Public Health)	02 Years	Yes	Yes	Active
15	Basic Sciences	Biomedical	M.Phil (Molecular Biology)	02 Years	Yes	Yes	Inactive

1.4 Master Programs

Sr. No.	Faculty	Department	Program Title	Duration	PMDC Accredited	HEC approved	Status
1	Surgery & Allied Specialties	Ophthalmology	Master in Community Eye Health (MCEH)	02 Years	Yes	Yes	Active
2	Basic Sciences	Community Medicine	Master of Public Health (MPH)	02 Years	Yes	Yes	Active

1.5 Fellowship Programs

Sr. No.	Faculty	Department	Program Title	Duration	PMDC Accredited	HEC approved	Status
1	Surgery & Allied Specialties	Ophthalmology	Fellowship in Vitreoretina	02 Years	Yes	Yes	Active
2	Surgery & Allied Specialties	Ophthalmology	Fellowship in Pediatric Ophthalmology	02 Years	Yes	Yes	Active
3	Medicine & Allied Specialties	Child Psychiatry	MD Child and Adolescent Psychiatry	02 Years	Yes	N.A	Active
4	Medicine & Allied Specialties	Paediatrics	MD Paediatric Nephrology	02 Years	In Process	N.A	In-Active
5	Medicine & Allied Specialties	Paediatrics	MD Paediatric Neonatology	02 Years	Yes	N.A	Active
6	Surgery & Allied Specialties	Ophthalmology	MS Orbit and Oculoplastics	02 Years	Yes	N.A	Active
7	Surgery & Allied Specialties	Breast Surgery	MS Breast Surgery	02 Years	In Process	N.A	Active
8	Medicine & Allied Specialties	Medicine	Gastroenterology	02 Years	In Process	N.A	Active
9	Medicine & Allied Specialties	Medicine	Rheumatology	02 Years	In Process	N.A	Active
10	Medicine & Allied Specialties	Medicine	Endocrinology	02 Years	In Process	N.A	Active

1.6 Postgraduate Diploma Programs

Sr. No.	Faculty	Department	Program Title	Duration	PMDC Accredited	HEC approved	Status
1	Medicine & Allied Specialties	Cardiology	Diploma in Cardiology	02 Years	Yes	Yes	Inactive
2	Medicine & Allied Specialties	Oncology	Diploma in Clinical Oncology	02 Years	Yes	Yes	Inactive
3	Public Health & Preventive Medicine	Community Medicine	Diploma in Public Health (D.P.H)	02 Years	Yes	Yes	Inactive
4	Medicine & Allied Specialties	Dermatology	Diploma in Dermatology	02 Years	Yes	Yes	Inactive
5	Public Health & Preventive Medicine	Community Medicine	Diploma in Family Medicine	02 Years	Yes	Yes	Inactive
6	Medicine & Allied Specialties	Neurology	Diploma in Clinical Neurology	02 Years	Yes	Yes	Inactive
7	Medicine & Allied Specialties	Paediatrics	Diploma in Child Health	02 Years	Yes	Yes	Inactive
8	Medicine & Allied Specialties	Psychiatry	Diploma in Psychiatry	02 Years	Yes	Yes	Inactive
9	Medicine & Allied Specialties	TB & Chest Medicine	Diploma in Tuberculosis and Chest Diseases	02 Years	Yes	Yes	Inactive
10	Surgery & Allied Specialties	ENT	Diploma in Ear, Nose & Throat	02 Years	Yes	Yes	Inactive
11	Dental Surgery	Oral & Maxillofacial Surgery	Diploma in Maxillofacial Surgery	02 Years	Yes	Yes	Inactive
12	Surgery & Allied Specialties	Obstetrics & Gynaecology	Diploma in Obstetrics & Gynaecology	02 Years	Yes	Yes	Inactive
13	Surgery & Allied Specialties	Ophthalmology	Diploma in Ophthalmic Medicine & Surgery	02 Years	Yes	Yes	Inactive
14	Surgery & Allied Specialties	Orthopaedic Surgery	Diploma in Orthopaedics	02 Years	Yes	Yes	Inactive
15	Surgery & Allied Specialties	Paediatric Surgery	Diploma in Paediatric Surgery	02 Years	Yes	Yes	Inactive
16	Surgery & Allied Specialties	Urology	Diploma in Urology	02 Years	Yes	Yes	Inactive
17	Surgery & Allied Specialties	Anaesthesia	Diploma Anaesthesiology	02 Years	Yes	Yes	Inactive
18	Surgery & Allied Specialties	Clinical Pathology	Diploma in Clinical Pathology	02 Years	Yes	Yes	Inactive
19	Surgery & Allied Specialties	Forensic Medicine	Diploma in Medical Jurisprudence	02 Years	Yes	Yes	Inactive
20	Surgery & Allied Specialties	Radiology	Diploma in Medical Radiology	02 Years	Yes	Yes	Inactive

1.7 List of Certificate Programs

Sr. No.	Program	Duration	PMDC Accredited	HEC approved	Status
1	Certificate in Health Professional Education (CHPE)	06 Months	Yes	N.A	Active
2	Certificate in Health Leadership & Management (CHL&M)	06 Months	Yes	N.A	Active

3	Certificate in Specialized Allied Health Practices (13 Different Specialties)	06 Months	Yes	N.A	Active
4	Certificate in Family Medicine (CFM)	06 Months	Yes	N.A	Active
5	Certificate in Opticianry	06 Months	Yes	N.A	Active

1.8 List of Undergraduate Programs

1.13 Honours and Awards

KEMCAANA Young Investigator Award

KEMCAANA Young Investigator Award was initiated in 2009. The concept and details of this award are as follows:

Introduction: KEMCAANA values academic rigor, encourages scientific advancement and cherishes individual achievement.

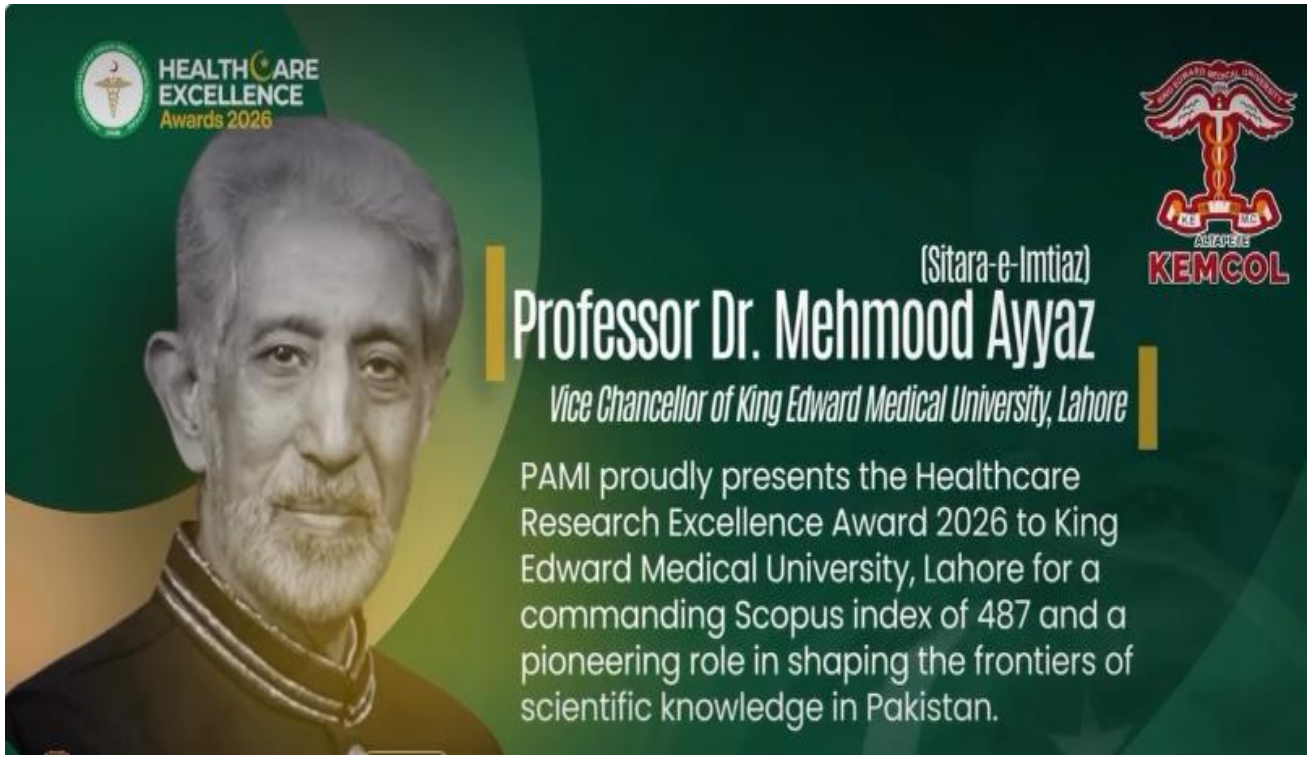
KEMCAANA Young Investigator Award is given annually Young Kemcolian practicing in North America in recognition of an outstanding contribution to research (Basic or Clinical) or scientific advancement of clinical practices by virtue of introducing novel approaches, including but not limited to new and improvised tools / Patents for delivery of exceptional patient care.

Objective: To promote research and foster scholarly activities by KE graduates in North America.

The Award is presented at the annual summer meeting of KEMCAANA and includes:

1. Cash award of $1000.00
2. Plaque
3. Award winners will have an Honorable mention and a summary of their work published in the KEMCAANA annual Magazine.
4. Recognition of Award Recipients on the KEMCAANA Website.
5. Residents/ Fellows will be reimbursed for the hotel stay during the meeting to a maximum of $ 500.00

Healthcare Research Excellence Award 2026



HEC Best Teacher Award 2026

KEMCAANA Thanks Scholarships Program

THANKS Scholarships Guidelines for KEMU Students

ELIGIBILITY

Every year the new scholarships are made available to first year students, based on financial assistance needs of the student. The financial need assessment is made primarily through the application completed by the student. Each THANKS scholarship will provide assistance for yearly tuition for up to five years. The scholarship will be renewed every year as long as the student continues to succeed academically. After graduation, another new student will reap the same benefit, another student after that, and yet another student after that and so on.

APPLICATION PROCESS

Application for a THANKS scholarship is available KEMCAANA's web site. It is the same for used to apply for all KEMCAANA Endowment Scholarships. This application should be completed and submitted electronically.

REQUIREMENTS FOR ELIGIBILITY TO RENEW THE SCHOLARSHIP.

The student must remain enrolled at KEMU and pass all exams.

THE SELECTION PROCESS

Applications for THANKS scholarship are solicited each year, depending on the number of available slots for new scholarships. KEMU has a standing Scholarship Committee appointed by the Vice Chancellor and consists of 3 professors at KEMU. After carefully confirming the financial information, the Scholarship Committee interviews the students and selects the students for all the scholarships.

MECHANISM FOR PAYMENT OF THESE SCHOLARSHIPS

Every year one-year's tuition amount is given directly to the KEMU admission office. The students who have already paid the annual tuition prior to their selection for the THANKS scholarships, the full tuition amount for one year will be reimbursed directly to the student in one lump sum.

THANKS Scholarships Guidelines for Donors

Contributions/ donations to SCHOLARSHIPS fund are the tax deductible, since KEMCAANA is a 501/ C3 organization all donations to the organization are tax deductible.

The synonym "Thanks" stands for; Tuition Help form Alumni for New KE Students

These scholarships provide tuition assistance to the medical students of KEMU who are in need of financial assistance. The eventual goal of "THANKS" scholarships is to make the KEMU a tuition-free institution for students admitted on merit basis.

This contribution provides the donors a way to show that they are thankful for the five years they spent in our alma mater where we had the wonderful teachers and made our lifelong friends.

The KEMCAANA web pages for these scholarships give us an ideal way to show gratefulness to the people in our lives that helped us to be what we are today as well as to memorialize our friends and elders. A donor may establish the scholarship in their own name or to honor someone else's name, or as memorial to someone. The donor may also decide to remain anonymous. The amount of donation needed to establish a THANKS scholarship is $5,000.00 However donations in any amount are welcome. One may pay the amount in installments, but the scholarship will be named only after the total amount has been received.

Your contribution enables a KE student to have Tuition free education for five years. After five years, another student will reap the same benefit and another student the following five year and so on. This contribution is a gift that keeps on giving it is a "Sadqa-e Jaria"

Thanks scholarships differ from other KEMCAANA Endowment scholarships in following aspects:

THANKS scholarships are for tuition assistance only.

The regular scholarships provide financial support for education that includes all education related expenses.

The amount of donation needed to establish a THANKS scholarship is $5,000.00

The amount needed to establish a regular scholarship is $10,000.00.

The Scholarship pays Rs. 2000.00 per month paid lump sum annually.

KEMU has a standing Scholarship Committee appointed by the Vice Chancellor and consists of 3 professors at KEMU. Applications for THANKS scholarship are solicited each year, depending on the number of available slots for new scholarships. After carefully confirming the financial information, the Scholarship Committee interviews the students and selects the students for all the scholarships.

The KEMCAANA treasurer oversees the KEMCAANA Endowment account including the THANKS scholarship. All the funds are invested under the direction of the investment committee appointed by the KEMCAANA Executive Council.

For any questions please contact

Dr. Bashir Chaudhary, (KE 1970) Chair, "THANKS" Committee

3456 Stallings Island Road, Augusta, GA 30907

To donate by check, make it to "KEMCAANA Scholarship Endowment Fund" and mail it to:

KEMCAANA

4170 S 4th street,

Milwaukee, WI 53207.

CHAPTER-2: RESEARCH AND DEVELOPMENT

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-2: RESEARCH AND DEVELOPMENT (FY 2025-26)

RESEARCH & DEVELOPMENT – AN OVERVIEW

- Research is an integral component of development of the university. The investments in research cannot be over emphasized. Our comprehensive new research policy was developed in 2012 and came into effect immediately. The synopsis proforma was devised. The synopsis pathway was formulated. Institutional Review Board (IRB) was evolved. The research grant, Raw Data Audit and Plagiarism Standing Committees were formulated. The individual proformas and SOPs were devised. For assessment of Board of Studies (BOS), Project Evaluation Committee, Institutional Review Board, Advanced Studies & Research Board and Raw Data Audit.
- During the year 2025-26 23 research projects amounting to 95.110 Million were approved against the allocated budget of 70 Million.
- There has been improvement in the research environment of the university and more and more emphasis is being lead to the publication of university research in impact factor journals.

OPERATION OF OFFICE OF DIRECTOR RESEARCH

2.3 Research Journals

Annals of King Edward Medical University

1 Annals of KEMU, the flagship journal of the University is a biomedical research journal that is devoted to publishing the recent advances in all areas of biomedical research for physicians, surgeons, post graduate trainees and undergraduate students with special emphasis on clarity of presentation and accuracy of the presented data.

2 Articles published in the Annals of KEMU cover a wide range of fields from basic medical sciences, clinical specialties and super specialty areas. As a multi-disciplinary journal published by the most renowned and oldest medical institute of Pakistan, Annals of KEMU publishes the most relevant original research articles that form the foundations of tomorrow's medicine in Pakistan and around the globe.

3 The journal was launched in 1995 and subsequently recognized by PMDC. The first issue of the Annals was published in April 1995 with Prof. Abdul Majeed Ch. as Editor of Annals of KEMU. Prof Dr. Saira Afzal (The Chairperson of Department of Community Medicine) became the First Female Editor of Annals in the history of KEMU in December 2015. Under her dynamic leadership the Annals is setting a new trajectory of brilliance

and a novel precedent of success in research. Apart from being recognized by **PMDC, the Higher Education Commission** has recently (2024) upgraded the Annals of KEMU to category 'X'.

4 Annals of KEMU is published quarterly and is indexed on:
Journal Citation Report (2022)
Directory of Open Access Journals (DOAJ) 2007
ICMJE Database (2010)
Pak MediNet (1996)
EMRO Indexus Medicus of WHO (1997)
PKP Harvester Database (2010)
Open J Gate Database (2010)

EBSCO Host (2015)
Clarivate Index (Formerly Thomson Reuters) (2017)
Tehqeeqat (2021)

JSPARK, the Journal of Society of Prevention, Advocacy, and Research, King Edward Medical University

1 JSPARK is a newly established medical journal focused on providing a platform for undergraduate and postgraduate students to publish their research work. The Journal embodies the unwavering commitment of King Edward Medical University to advancing medical knowledge through student engagement, innovation, and research.

2 By providing a platform for student research and publication, JSPARK represents a valuable opportunity for potential young scholars to contribute to the academic community and shape the future of healthcare and medical research. JSPARK envisions fostering a culture of curiosity and collaboration and inspiring new medical professionals to bring about a positive impact through cutting-edge research.

3 The Journal of Society of Prevention, Advocacy, and Research King Edward Medical University represents the next step in the university's mission to advance medical knowledge and support student research. By providing a platform for student research and publication, JSPARK represents a valuable opportunity for students to contribute to the academic community and shape the future of medical research.

4 The editorial board of JSPARK is a diverse and distinguished team comprising senior national and international doctors, experienced healthcare professionals, and passionate medical students. This collaborative effort ensures the journal maintains high academic standards, promotes innovative research, and fosters knowledge sharing across various disciplines of medicine. Together, the board is committed to nurturing the next generation of medical leaders and advancing the global medical community.

5 During the year 23-24, the student journal has achieved remarkable success, marked by its indexing with the Higher Education Commission (HEC), a testament to its academic quality and credibility. During this period, the journal upheld its commitment to excellence by publishing four issues with unwavering regularity (Vol 2 No.3, Vol 2 No.4, Vol 3 No.1 and Vol 3 No.2). This milestone reflects the dedication of the editorial board, the valuable contributions of authors, and the journal's growing recognition as a platform for high-quality medical research and academic discourse.

CHAPTER-3: QUALITY ASSURANCE

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-3: **QUALITY ASSURANCE**

Institutional Quality Assessment and Effectiveness Office (IQAE)
Directorate of Quality Enhancement Cell (QEC)

Patron In Chief	Director

Prof. Dr. Mahmood Ayyaz
Vice Chancellor, KEMU

Prof. Dr. M. Imran Hasan Khan
Director QEC, KEMU

Dr. Farhan Qadir (Ph.D)
Deputy Director (QEC), KEMU

Muhmmad Asim Saeed
Data Analyst (QEC), KEMU

Introduction:

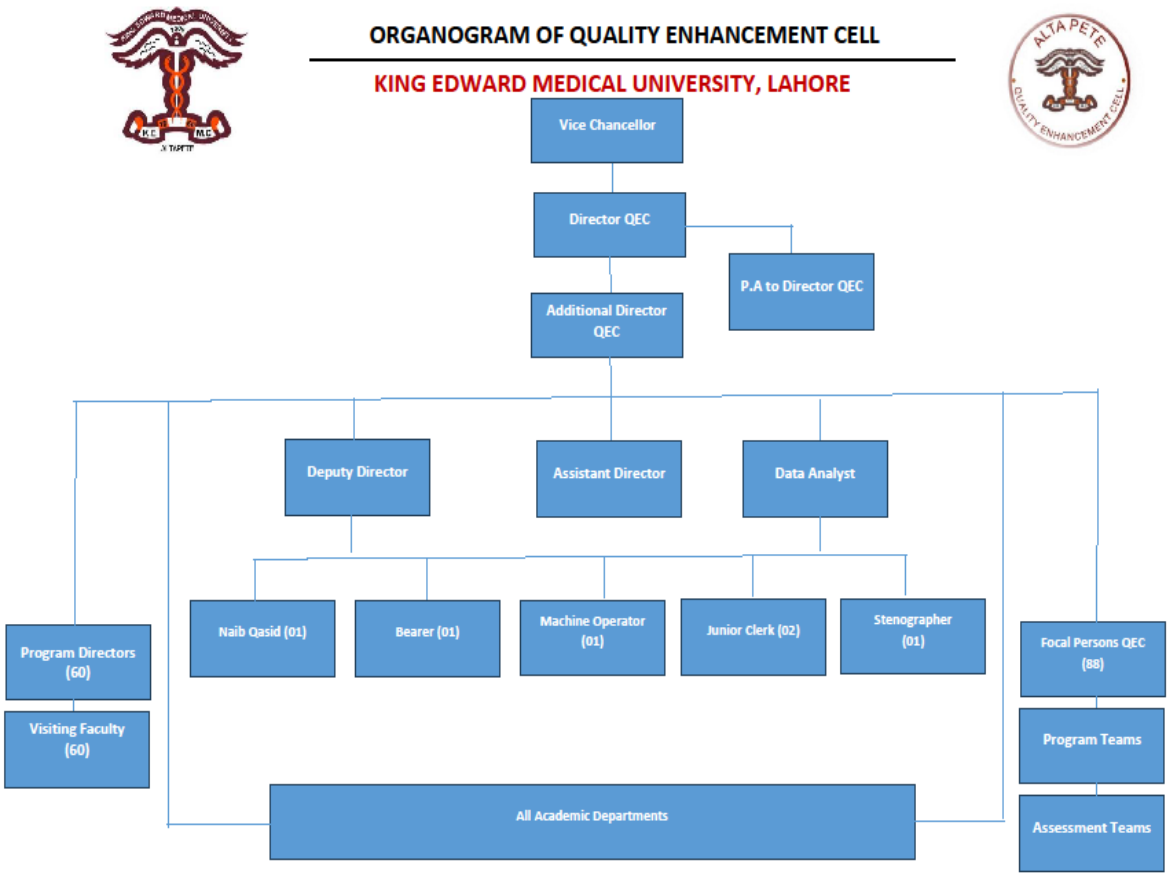
Quality Enhancement Cell of King Edward Medical University was established in 2013 under the umbrella of Quality Assurance Agency of Higher Education Commission. After completion of project period KEMU took over the Quality Enhancement Cell on its regular budget as one of its permanent department.

The basic aim of the Quality Enhancement Cell is to improve the standard of education bringing it in line with the standards set for Quality Education at National and International level. The responsibility of QEC is to asses and evaluate the academic policies, Programs and give recommendations accordingly for any improvements if required.

Quality Enhancement Cell of King Edward Medical University is engaged in accomplishments of targets set to create quality culture in the University with the advance practices of quality enhancement.

Functioning of Quality Enhancement:

As per directions of HEC, Quality Enhancement Cell at King Edward Medical University, Lahore was established in May 2012. The present structure of Quality Enhancement Cell at King Edward Medical University, Lahore is given as under:



QEC SECRETARIATE ESTABLISHMENT:

Sr. No.	Name	Designation	Permanent/ Contract /Additional Charge	Date of Appointment
1.	Prof. Dr. M. Imran Hasan Khan	Director QEC	Additional Charge	14-05-2026
2.	Dr. Farhan Qadir	Additional Director QEC	Permanent	29-04-2022
3.	Muhammad Asim Saeed	Data Analyst	Permanent	09-02-2017
4.	Tariq Javaid Awan	Stenographer	Permanent	20-06-2015
5.	Waqar Ahmad	Junior Clerk	Permanent	04-11-2025
6.	Ijaz ul Haq	Junior Cler	Permanent	27-04-2024
7.	Malik Ijaz Ali	Machine Operator	Permanent	26-06-2022
8.	Naser Jamal	Naib Qasid	Permanent	15-06-2015
9.	Arshad Ali	Bearer	Permanent	23-06-2022

Yearly Progress Report (YPR) 2025-26 submitted to HEC, Islamabad on revised assessment Criteria for Quality Enhancement Cells

QEC-KEMU has submitted Yearly Progress Report (YPR) 2025-26 to HEC Islamabad on revised assessment criteria:

Sr. No.	Activity	Remarks
1.	Review of Institutional Performance and Enhancement (RIPE)	Submitted to QAA, HEC
2.	Program Self-Assessment / Program Review for Effectiveness and Enhancement (PREE for IQA)	Submitted to QAA, HEC
3.	Accreditation	Submitted to QAA, HEC
4.	Ph.D. Program Self Review and MS/M.Phil. Self-Review	Submitted to QAA, HEC
5.	Functioning of QEC Secretariat	Submitted to QAA, HEC
6.	Implementation of HEC Policies	Submitted to QAA, HEC
7.	Additional Targets	Submitted to QAA, HEC

Online Feedback/Survey forms (Annual Basis)

The following Online Feedback/Survey Forms have been developed;

1. Course & Teacher Evaluation by Students

   i. Course & Teacher Evaluation by MBBS Students

3.3 Membership of Associations / Networks

i. Asia Pacific Quality Network (APQN)
ii. Association of Quality Assurance Agencies of the Islamic World (QA Islamic).
iii. Pakistan Chapter of the Talloires Network (PCTN)
iv. Pakistan Network of Quality Assurance in Higher Education (PNQAHE)

3.4 Scorecard of the QEC, KEMU for the year 2023-24 issued by the HEC, Islamabad.

QEC, KEMU has secured score 93.72%.

HIGHER EDUCATION COMMISSION
H-8, ISLAMABAD, PAKISTAN, Website: http://www.hec.gov.pk

Irfan Ullah
Director (QAA)

No. 4(I-XII)/QAA-IQA/HEC/2025/2933
October 9, 2025

Subject: **ANNUAL PERFORMANCE ASSESSMENT OF QECS AGAINSTYEARLY PROGRESS REPORT (YPR) 2023-24**

Dear Sir,

The Higher Education Commission (HEC) is committed to strengthening Internal Quality Assurance (IQA) mechanisms and fostering a culture of quality in Higher Education Institutions (HEIs). To this end, the **Quality Assurance Agency (QAA)** of HEC conducts an annual assessment of all public and private sector HEIs against the **established Quality Assurance Assessment Criteria** (shared with HEIs vide letter No. **4(I-XII)/QAA-IQA/HEC/2017/2572,** dated **27th July 2017**), as outlined below

i. Progress against Review of Institutional Performance and Evaluation (Self or by QAA-HEC)
ii. Progress against Self-Assessment of Programs (undergraduate & Graduate)
iii. Accreditation of Programs from Respective Accreditation Councils (where applicable)
iv. Progress against Graduate Program Review (Level 7&8-Self or by QAA-HEC)
v. Functioning of QEC Secretariat
vi. Implementation of HEC QA Polices & Criteria (GEP-2023, Plagiarism Policy, Faculty Appointment)

2. As per procedure, Yearly Progress Report (YPR) for 2023-24 submitted by your institution, against the already defined targets, was thoroughly evaluated. A provisional scorecard was shared with your QEC for comments, if any, and finalized after considering valid observation. As per the assessment of YPR 2023-24, the overall performance of your Institution's QEC has been rated as **MEETING MAXIMUM PARAMETERS SATISFACTORILY (MMPS)** while obtaining **93.72** marks **(The detailed scorecard is being shared with the Head of QEC through E-mail along with a copy of this letter).**

3. You are requested to evaluate institutional performance and to determine the areas of improvements for further strengthening the QA mechanism as per HEC guidelines. We hope our mutual coordination, cooperation and commitment will translate institutional performance into students' success and contribution to society.

With Warm Regards

(Irfan Ullah)

Prof. Dr. Mahmood Ayaz
Vice Chancellor

18	MD (Gastroenterology)	43	Ph.D. Anatomy
19	MD (Neurology)	44	Ph.D. Community Medicine
20	MD (M.D (Community Medicine & Public Health)	45	Fellowship in Peadiatric Ophthalmology
21	MD (Family Medicine)	46	Fellowship in Vetreoretina
22	MD (Oncology)	47	Post RN BS Nursing
23	MD Child & Adolescent Psychiatry	48	MD Pulmonology
24	MD Nephrology	49	MS Orbit & Oculoplastic
25	MD Emergency Medicine	50	MD Pediatric Neonatology

3.6 NOC by HEC prior to launch MS/M.Phil. and Ph.D. or equivalent Program

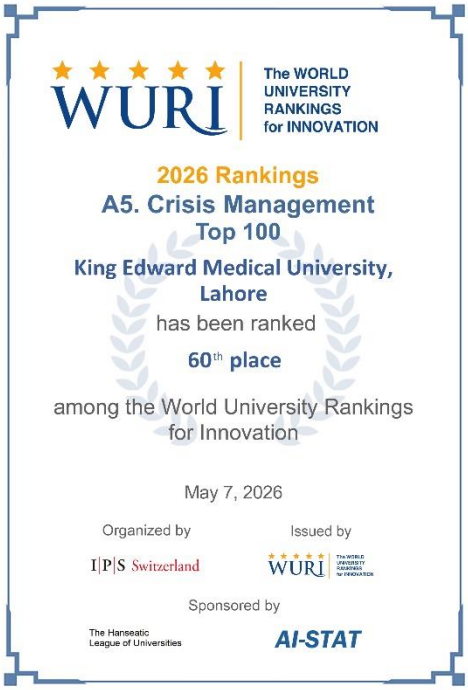
NOC received:

- Master of Public Health (MPH)

3.7 International Rankings

Times Higher Education Impact Ranking 2025

World University Ranking for Innovation WURI 2026



QS World Ranking (Regional Wise) 2025

QS World Ranking (Subject Wise) 2025

As per annual targets of HEC, Alhamdulillah, Graduate, Ph.D or equivalent Programs Self Review 2025-26 successfully conducted on 22-23 April, 2025 at KEMU

CHAPTER-4: FACULTY DEVELOPMENT

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-4: FACULTY DEVELOPMENT

Certificate Programs at KEMU

Sr. No.	Program	Duration	PMDC Accredited	HEC approved	Status
1	Certificate in Health Professional Education (CHPE)	06 Months	Yes	N.A	Active
2	Certificate in Health Leadership & Management (CHL&M)	06 Months	Yes	N.A	Active
3	Certificate in Specialized Allied Health Practices (13 Different Specialties)	06 Months	Yes	N.A	Active
4	Certificate in Family Medicine (CFM)	06 Months	Yes	N.A	Active
5	Certificate in Opticianry	06 Months	Yes	N.A	Active

CME ACTIVITIES OF MEDICAL EDUCATION DEPARTMENT KEMU

Collaborative Workshops:

Regular continuing medical education (CME) and professional workshops are hosted across clinical and basic departments (such as Anatomy and Community Medicine) to align medical teaching staff with contemporary international standards.

CHAPTER-5: ACCESS

KING EDWARD MEDICAL UNIVERSITY, LAHORE

5.1 Basic Enrollments

Currently 3525 students are enrolled at different levels and programs of KEMU

5.2 Equity

Admission to King Edward Medical University is awarded to the students on purely merit basis who have the highest marks in academics, entry test and interview.

5.3 Gender-wise Detail of Enrollment

Following is the gender-wise and year wise detail of enrollment.

Enrolment (Total Student Enrolled)				
Category	**Program**	**Boys**	**Girls**	**Total**
Bachelor	MBBS	765	915	1680
	Doctor of Physiotherapy (DPT)	36	151	187
	B.Sc. Hons (AHS)	85	220	305
	B.Sc. Hons (Vision Sciences)	75	147	222
	Post RN/BSN	05	90	95
	BS Nursing Generic	0	523	523
	Total=	**966**	**2046**	**3012**
Master	PG Diploma	4	15	19
	i. Master in Community Eye Health (MCEH) ii. Master of Public Health (MPH)	0	0	0
	Total=	**4**	**15**	**19**
M.Phil.	M.Phil.	12	57	69
	MD/MS/MDS	205	206	411
	Total=	**217**	**263**	**480**

4	APMO/Sr.Demo/Demo	**Total**	**71**		
	Grand Total=		**279**	**Total Posts=**	**780**

5.5 Faculty-Student ratio

During the reported period Faculty to Student ratio was 1: 8

CHAPTER-6: UNIVERSITIES BUILDING ECONOMIES

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-6: UNIVERSITIES BUILDING ECONOMIES

6.1-6.5 University – Industry Linkage, New Initiatives, Technology Incubation Centre, Patents and Internship & Placement Office

KEMU is taking a qualitative leap forward by developing strong linkages with industry through general support, research centers and institutes and new business incubators and technology parks. The purpose of the collaboration with various local and foreign universities and institutions is to ensure the training of our faculty members and young scholars in interdisciplinary research methods and theoretical approaches. KEMU is actively looking forward for more active foreign collaborations and funding for its faculty development program and research projects.

For promotion of research, students' job placement, internship; research work and resource sharing KEMU has signed several MoU s'/ Agreements with industries and corporate sector.

CHAPTER-7: STRENGTHENING PHYSICAL INFRASTRUCTURE

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-7: STRENGTHENING PHYSICAL INFRASTRUCTURE

7.1 Construction / Development projects (Laboratories, Libraries, etc.)

Planning & Development Department of KEMU:

MAJOR DEVELOPMENT PROJECTS INITIATED / COMPLETED FY 2025-26

!	Name of Work	Estimated Cost (Million)
1.	Special Repair / Renovation of Examination Branch and Examination Hall at Muhammad Ali Jinnah Block KEMU, Lahore	9.851
2.	Annual Repair / Renovation of Advance Research Center for Bio-Medical Sciences (ARCBS) KEMU, Lahore	0.804
3.	Providing and Installation of 4 Core 240 mm Cable at Hall Road Hostel KEMU, Lahore	4.819
4.	Providing and Installation of 240 mm and 150 mm Cable from 400 KVA Transformer to Pathology and Forensic Department main L.T D.B, KEMU, Lahore	6.645
5.	Upgradation of Library at Muhammad Ali Jinnah block KEMU, Lahore.	14.049
6.	Providing and Fixing High Quality Sound System and Multimedia for Lecture Theater of Forensic Medicine Department, KEMU, Lahore	1.904
7.	Upgradation of existing ATS panel at Advance Research Center for Biomedical Sciences KEMU, Lahore	0.592
8.	Providing and Installation of 630 KVA Transformer at Girls Hostel, KEMU, Lahore.	7.930
9.	Annual / Special Repair Renovation of Examination Building / Treasurer Office Department KEMU, Lahore.	15.058
10.	Providing Installation of Tube Well and Laying Pipeline at Girls Hostel KEMU, Lahore.	15.156
11.	Special Repair / Renovation of Lecture Theater No. 1,2,3 at Patiala Block KEMU, Lahore.	9.121
12.	Providing and Laying External Water Supply Line Hall Road Hostel, KEMU, Lahore	3.873
13.	Improvement / Renovation of Forensic Department at KEMU, Lahore	8.358
14.	Providing / Fixing of Main L.T Panel and 2 Nos outgoing panel's i/c cable and all accessories at Punjab Girls Hostel KEMU, Lahore.	5.979

15.	Repair of Air Conditioning Chiller Unit No. 01,02,03 and 04 at Forensic Department KEMU, Lahore	1.864
16.	Annual Repair/Renovation of Chief Warden Residence Mcleod Road Hostel KEMU, Lahore.	2.113
17.	Providing and Fixing New M.S Grill for Security Purposed at I.T Department Muhammad Ali Jinnah Block, KEMU, Lahore.	0.581
18.	Repair and Installation of 400 KVA Transformer at Girls Hostel, KEMU, Lahore.	0.794
19.	Revamping of International/New Mess at Boys Hostel Mecload Road KEMU, Lahore.	12.593
20.	Providing and Installation of LED/SMD Panel Lights and LED Bulb at Anatomy, KEMU, Lahore.	1.181
21.	Overhauling of 1000 KVA Transformer, HT Panel & 02 Nos L.T Panels at Girls Hostel KEMU, Lahore.	1.000
22.	Providing Installation of Gym equipment's at Mcleod Road Hostel KEMU, Lahore.	2.482
23.	Providing and Fixing Aluminum Partition at Maqbool Ahmad Block, KEMU, Lahore.	1.968
24.	Flower Bed adjacent to Wall at Maqbool Ahmad KEMU, Lahore	0.798
25.	Repair / Overhauling of Generator 100 KVA at Hall Road Hostel KEMU, Lahore.	0.538
26.	Construction of Room and Improvement of Basement at M Ali Jinnah Block KEMU, Lahore.	9.872
	Total	**139.923**

New Schemes 2025-26

S#	Name of Scheme KEMU, Lahore	Estimated Cost (Million)
1	Annual Special Repair/ Renovation of C Block Building McLeod Road Lahore	9.845
2	Annual Repair/ Renovation of D Block Building Mcleod Road Lahore	2.30
3	Annual Repair/ Renovation of Farooq Hostel Building Mcleod Road Lahore	6.926
4	Annual Repair/ Renovation of Broom Hostel Building Mcleod Road Lahore	12.372

5	Annual Special Repair/ Renovation of New Hostel Building Mcleod Road Lahore	12.372
6	Renovation of Swimming Pool of McLeod Road Lahore	10.0
7	Special Repair/ Renovation of Squash Court at Mcleod Road Lahore	3.90
8	Annual Special Repair/ Renovation of New Hostel Building Hall Road Lahore	10.00
9	Rehabilitation of New hostel Building Hall Road Hostel, KEMU, Lahore	10.00
10	Annual Special Repair/ Renovation of Ayesha Block Building Girls Hostel Lahore	8.60
11	Annual Special Repair/ Renovation of Fatima Block Building Girls Hostel Lahore	14.739
12	Annual Special Repair/ Renovation of Amna Block Building Girls Hostel Lahore	12.352
13	Annual Special Repair/ Renovation of Zainab Block Building Girls Hostel Lahore	3.415
14	Balance Works, Construction of OHR 46000 Gallons at Girls Hostel KEMU, Lahore	6.942
15	Annual Repair/ Renovation of Khadija Block Building Girls Hostel Lahore	6.50
16	Provision of 02 Nos of Passenger Lifts at Fatima Girls Hostel Lahore	25.00
17	Improvement in water supply system at Girls Hostel KEMU, Lahore	1.070
18	Rehabilitation of stage at Muhammad Ali Jinnah Block, KEMU, Lahore	1.395
19	Providing and installation of new air conditioners, at lecture theater No.2, 2nd floor Muhammad Ali Jinnah block, KEMU, Lahore	4.640
20	Weather shield of Muhammad Ali Jinnah Block KEMU, Lahore	2.50
21	Provision of Power Factor Panel at Muhammad Ali Jinnah Block Lahore	5.80
22	Provision of underground Main power Cable from Main Panel to Tube well	4.80
23	Providing and Installation of New Air Conditioners, at Anatomy Lecture Theater KEMU, Lahore	5.46
24	Providing and Installation of New AC at New Auditorium M Ali Jinnah Block KEMU, Lahore	4.697
25	Providing and Fixing New AC at MBBS Students section Laison Officer room No. 5 establishment at Patiala Block KEMU, Lahore	1.731
26	Providing and Installation of New AC at CDL Lab KEMU, Lahore	2.134
27	Providing and Fixing New AC at Pathology Department KEMU, Lahore	2.227
28	Provision of Aluminum Partition and Steel rack at Exam Branch Muhammad Ali Jinnah Block KEMU, Lahore	12.352
29	Annual Special Repair/ Renovation of Forensic Medicine Department Lower ground floor at KEMU, Lahore	16.111

30	Provision of 100 KVA Generator i/c ATS panel and Power Cable at Forensic Department KEMU, Lahore	10.20
31	Providing Installation of Solar System at Maqbool Ahmad Block KEMU, Lahore	25.00
	Total	**255.38**

Ongoing Schemes 2025-26

Sr. #	Name of Work	Estimated Cost
1.	Providing and Installation of New AC's in Muhammad Ali Jinnah Block KEMU, Lahore.	15.590
2.	Water Proofing at Roof of Patiala Block, KEMU, Lahore.	2.191
3.	Providing Laying Concrete Paver at Path Patiala Block to Maqbool Ahmad Block KEMU, Lahore	1.416
4.	Annual / Special Repair Renovation of Examination Building / Treasurer Office Department KEMU, Lahore.	20.000
5.	Establishment of Souvenir Shop at Old Library at Patiala Block KEMU, Lahore	4.384
6.	Providing / Fixing Manhole Cover and Slabs at Various sites of KEMU, Lahore.	1.306
7.	Special Repair / Renovation of Guest Room and Table Tenis Room at Mcleod Road, Lahore	1.239
8.	Construction of Bio Safety Lab Level III KEMU, Lahore	8.843
9.	Special Repair / Revamping of HR Department, KEMU, Lahore.	6.269
10.	Providing and Fixing Aluminum Window at Fatima Block Girls Hostel KEMU, Lahore	10.000
11.	Annual/ Special Repair including rehabilitation of shade, khaprail tiles at Patiala Block KEMU, Lahore	12.000
12.	Providing Fixing of New Geysers at Hall Road Boys Hostel KEMU, Lahore.	1.809
13.	Provision Boundary Wall at Forensic Department Flower Bed Patiala Block and Paint Work KEMU, Lahore	1.012
14.	Repair in L.T Metering Panel and L.T Panel Transformer Rooms at Girls Hostel KEMU, Lahore.	1.787
15.	Providing and Fixing of Benches in Lecture Theater at 2nd Floor Muhammad Ali Jinnah Block KEMU, Lahore	2.916
16.	Providing and Fixing of Fan and Fixing of AC in Lecture Theater M Ali Jinnah Block KEMU, Lahore	0.894
	Total	**91.656**

7.2 RESEARCH EQUIPMENT

ANATOMY DEPARTMENT

1. Development Projects

- Repairing of air conditions of Lecture Theatre, Professor & Associate Professor's Offices, Library
- Metallic Label plates of Museum cupboards.
- Polish of museum cupboards and furniture.

2. Research Equipment: -
No new research equipment was purchased during past year.

3. Construction Projects:
- Patch work and paint of Professor's Office, LRC, Museum, Histology Lab and Dissection Hall.
- Paint of Old D.H cupboards.

DEPARTMENT OF BIOCHEMISTRY

The details of the standardized strengthening physical infrastructure as follow:

strengthening physical infrastructure		
1.	Developed Projects (Laboratories, Library, etc.)	Demand of the establishment of Library and equipment is already submitted to the Vice Chancellor
2.	Construction Projects	Not Applicable

3. Research Equipment

	Research Equipment	
Sr. No	**List of Equipment**	**Quantity**
1.	Ph Meter	03
2.	Incubator	01
3.	Electronic Balance (Digital)	08
4.	Thermal Cycler (PCR)	01
5.	Gel Electrophoresis	01
6.	Glucometer	02
7.	Centrifuge Machine (Chine)	02
8.	Spectrophotometer (BMS) USA	01
9.	Spectrophotometer (Micro Lab 300 Semi Automated)	01
10.	Microscope (Binocular)	01

11.	Refrigerator	02
12.	Water Distillation unit (10L)	01
13.	Water Bath (Electric)	03
14.	Stop Watch	03
15.	Hot box oven	01

Department of Forensic Medicine

a) Future Construction Projects (Waiting area to facilitate deceased relatives)

- Covered area (measuring 800 square feet) adjacent to the main entrance and right behind the cold storage of the dead house, may please be merged with forensic department. This small area may be constructed as reception and sitting facility for the police and relatives of the deceased it is an utmost requirement to address the security issue and to avoid unnecessary movements and roaming of the people in all emergency situations.
- Record storage capacity enhancement.

b) Renovation and Improvement (Autopsy Labs).

Forensic autopsy labs need overall renovation with special focus on the following: -

- Ceiling mounted light (shadow less OT light)
- Combustion Exhaust system to vent out putrefying gases.
- Fully covered open drainage system.
- AC facilities to maintain temperature during postmortem and other academic / training activities being offered by the said department.
- X-rays illuminators

c) Forensic Analytical Lab

- Completed

d) Library

- Completed

e) Research Equipment / Instruments

Department of Forensic Medicine need following equipment / instruments on priority basis to facilitate the Postgraduate Residents (PGRs) for their research projects.

- Trocar cannula (for bone marrow and Aqua's humors).
- CSF aspiration needles (for electrolytes analysis).
- Autopsy lab temperature system.
- Electric Autopsy Saw (for skull opening)
- Thermometer (to measure the temperature of dead body before postmortem).
- Sample storing freezer (-20 C).
- Digital weight machine (to measure the weight of dead body).
- Fractional Steam Distillation Apparatus for forensic analytical lab

- Digital thin layer chromatography system.
- Gas chromatography system.
- Digital X-ray Machine to locate / identify the metallic bodies during postmortem
- Portable X- Rays Machine
- Generator for cold storage room.

Department of Pharmacology

Strengthening Physical Projects:

1. Development Projects:

Currently, no new development projects are underway in the department.

2. Research Equipment:

The Department of Pharmacology is equipped with the following research tools:

Power Lab Data Acquisition System (Manufactured in Spain by Panlab S-1 for AD Instruments Pvt. Ltd.):

This advanced system is pivotal for physiological and pharmacological data recording and analysis. The system includes:

- Isotonic Transducer: Measures muscle length changes.
- Teaching Force Transducer: Records muscle force.
- Blood Pressure (B.P.) Transducer: Captures arterial pressure readings.
- Electric Pulse Transducer: Enables precise electrical stimulation.
- Nerve Chamber: Facilitates studies on isolated nerve responses.
- Animal Bio Amp: Records bioelectric signals like ECG, EMG, and EEG.
- Automatic Tissue Organ Bath System:
    - Allows pharmacological studies on isolated tissues or organs.
    - Includes a thermostat and tissue chambers for optimal temperature control.
- EEG Flat Electrodes: For recording electrical activity in experimental setups.
- Thermostat: Ensures stable temperatures for research experiments.

Kymographs and Set Organ Bath:

- **Kymographs:**
    - Essential for recording physiological responses, such as muscle contractions.
    - Includes precise drum rotation controls for variable speeds, suitable for teaching and research.
- **Set Organ Bath:**

- A manual setup for experiments on isolated tissues or organs.
- Provides adjustable temperature control for physiological conditions.

3. Construction Projects:

No construction projects are currently being carried out in the department.

Department of Pathology

(i) Histopathology

Research Instruments

- Deca Head Microscope (Nikon, Model ECLIPE Ci-L 709231)
- Fluorescence Microscope (Nikon, Model ECLIPE Ci 401985)

(ii) Microbiology

The demands of the following have been sent from Microbiology Section of the Pathology Department KEMU, Lahore.

- Development projects: List of Books for library of research and academics
- Research equipment: (i) biosafety cabinet class 11 type A2
  - Automated ELISA
  - Automated Urine strip analyzer
  - Automated culture/ sensitivity Vitec
  - BACTAC
  - Computers

Construction projects: Removal of shelf behind biosafety cabinet

Department of Biomedical Sciences

The Department of Biomedical Sciences was established in 2013 to launch integrated research in basic medical and clinical sciences. Our goal is to attain excellence as an exemplary center of education in molecular medicine and cutting-edge research. The department contributes towards teaching and training of MBBS, BDS, Physiotherapy, MPhil and PhD students enrolled in KEMU. The Department promotes inter-disciplinary and multi-disciplinary collaborations, and facilitates the translation of basic research to clinical application.

Our current research focus in the Department includes but is not limited to:

- Regenerative Medicine
- Chronic Obstructive Lung Disease
- Surfactant proteins research
- Obesity and metabolic disorders

Health Services/ State of Art Facilities

- Stem Cell Culturing

- Sequencing, Genotyping & HID by Genetic Analyzer A & 3500

Research equipment:

Strengthening Physical Infrastructure		
1.	Development projects (Laboratories, Libraries, etc.)	Biosafety Level-3 Laboratory
2.	Research equipment	1. Electrophoresis System with Power Supply 2. Thermal Cycler 3. Ultra Low -80°C Freezer 4. Weighing Balance 5. PCR Machine 6. Real Time PCR 7. Safety Cabinet Biosafety Level-3 8. Safety Cabinet Biosafety Level-2 9. Refrigerator cum Freezers 10. Water Bath 11. Compact Incubator 12. Heat Block 13. Thermal Mixer 14. Vortex Mixer 15. Plate Shaker/Mixer 16. Micro Pipette Adjustable 17. Bench-Top Micro Centrifuge 18. Electronic Pipette Controller 19. Micro Centrifuge

CHAPTER-8: STRENGTHENING TECHNOLOGICAL INFRASTRUCTURE

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-8: STRENGTHENING TECHNOLOGICAL INFRASTRUCTURE

INTRODUCTION OF IT DEPARTMENT

IT Department has always been striving for excelling in providing quality services to employees, students and faculty of King Edward Medical University on various platforms. IT Department is actively participating in the teaching and training of Post Graduate Students of KEMU in the name of IT Skills Workshop, in which they are taught the basic components of IT & Computers (Hardware & Software), their effective and efficient usage of different tools and frameworks in the field of computer science so that they may utilize their medical skills along-with the flair of IT Knowledge and hence leaving no parallel to them. They are also taught about the advancements and improvements in the field of Information Technology. We are positive and hopeful that IT Department will continue its efforts with the same ambition and determination in the future.

1. **IT Network Infrastructure (Client Server Architecture):**
   - Eight (08) High End Server Machines for Data Centre
   - Enhancement of Fiber Backbone Connectivity within Campus Buildings
   - Upgradation of Network Connectivity with Attached Hospitals and Hostels via Radio Links
   - Managing Network of more than 1000 clients
   - Upgradation of Deployment of IT infrastructure for Central Lab in KEMU
2. **Audio Visual System:**
   - Enhancement of Interactive Classrooms with inclusion of interactive screens facility of Video Conference System
   - Enhancement of High-End Multimedia and Sound Systems for Classrooms
   - Enhancement of Professional Sound System Installed in Council Hall, Auditorium and Main Hall for Events
   - Enhancement of Video Conferencing System and upgradation of audio visual equipment deployed in all lecture theatres and Council Hall
3. **Security Surveillance System:**
   - 24/7 monitoring through more than 260 IP Security Cameras across Campus and Hostels
   - Upgradation of Walkie Talkie wireless network for security guards' communication with central base station

- Enhancement of Installation of Walkthrough gates on entrance gates of Campus and Hostels for safety and security

4. **Upgradation of Campus Management System:**
   - Upgradation of Payroll Management System
   - Upgradation of Procurement & Billing Automation System
   - Upgradation of Human Resource Management System
   - Upgradation of Biometric Attendance System
   - Upgradation of Student Management System
   - Upgradation of Examination Management System
     - Centralized Question Bank for MCQs
     - Automatic Generation of MCQs
   - Upgradation of Learning Management System
   - Upgradation of Inventory & Indent Management System
   - Upgradation of Library Management System
   - Upgradation of On-Campus Digital Content Delivery (Journals)
   - Upgradation of Student Finance Management
   - Upgradation of PGs Rotation and Leave Management
   - Upgradation of Household Survey Portal for Community Medicine
   - Upgradation of Hostel Management System
   - Upgradation of Web portal for QEC data collection and information
   - Upgradation of Online JCAT Exam Admission Portal
   - Upgradation of Online Admission System (Future Milestone) for KE Students, Inductions of PGs at Punjab Level
   - Upgradation of Online E-Log System for Post Graduate Students
   - Upgradation of Research Cycle Management System.

5. **Implementation of Pakistan Education and Research Network (PERN)**
   - PERN implement in four Learning Resource Centre with the Access of Digital Library
   - Provision of Access of Microsoft Product for students and faculty
   - Provision of Turnitin Software to check plagiarism in research work
6. **Upgradation of University Website (https://www.KEMU.edu.pk) to provide information to the students, faculty, and visitors**
7. **Upgradation of Annals of KEMU Website (www.annalsKEMU.org/)**
8. **Launching and Upgradation of JSPARK (Journal) Website (www.journalofspark.com/)**
9. **Official Correspondence with:**
   - info@KEMU.edu.pk
   - registrar@KEMU.edu.pk
   - complaints@KEMU.edu.pk

10. **Social Medical Interaction:**
    - Facebook (https://www.facebook.com/KEMUlahore)
    - Twitter (https://www.twitter.com./KEMUofficial)
    - Instagram (https://www.instagram.com/KEMUlahore/)
11. **Establishment of Telemedicine Department**
    Establishing Telemedicine department at KEMU is a new major milestone for it department for IT Department. It is an initiative by Government of Punjab.

- **Telemedicine web portal**
- **Telemedicine Mobile Application**

- IT Department is playing key role in providing 24/7 support and services to the telemedicine Department.
- This Department Meets international standards and is equipped with hi-end all-in-one PCs and modern technologies.
- Multiple channels of communication like WhatsApp, skype, Mobile, Landline, Web Portal and Mobile App are being used for the Patients to get consultation from expert doctor. Keeping in view the importance and need of the Telemedicine services, establishing the Telemedicine Department on Permanent basis is the way forward for King Edward Medical University.
- A comprehensive Web Portal and mobile App for telemedicine has been launched which includes a lot of advanced features like appointment scheduling etc.

12. **Establishment of Artificial Intelligence (AI) LAB**
13. **Mandatory IT Workshops for Post Graduate Students after every 3 Months**
14. **ICT Workshops for Post RN Nursing Classes**

CHAPTER-9: UNIVERSITIES BUILDING COMMUNITIES

KING EDWARD MEDICAL UNIVERSITY, LAHORE

CHAPTER-9: UNIVERSITIES BUILDING COMMUNITIES

COMMUNITY OUTREACH SERVICES 2024-2025

Department of Community Medicine and Faculty of Public Health & Preventive Medicine educates medical students and resident physicians in the principles and practice of global health, community medicine, preventive medicine & public health. They are trained to provide excellent and comprehensive strategies in public health to the community and to provide programs that enhance the healthcare and delivery of exceptional medical care. The Department of Community Medicine at KEMU is actively involved in academics, research, and community outreach programmes. Our faculty is committed to excellence in teaching and community engagement.

The community outreach programs are carried out through:

1. FIELD VISITS:
    - Visit to school to assess the health of school children
    - Visit to Convalescent Home
    - Visit to Basic Health Unit
    - Visit to MCH Center

2. RELIEF ACTIVITIES:

- Flood Relief Operations

3. FREE MEDICAL CAMPS:

- Free Medical Camp at Madianwala, Lahore

4. RAMZAN IFTAR DRIVE:

- Providing Iftar to patients & attendants in Hospital

5. AWARENESS CAMPAIGNS

- Awareness regarding CCHF to citizen in Cattle market

6. WORKSHOPS

- BLS and Research Workshop for high school students as part of the summer internship programme with Friends of Mayo

7. TELEMEDICINE SERVICES:
    - Tele Corona Counter
    - Tele Nutrition Counter

KEMCAANA Summer Meeting 2024

We are delighted to share the highlights and updates from the KEMCAANA Summer Meeting and General Body Meeting held on July 5, 2024, at the Gaylord National Resort & Convention Center, Maryland. This event was part of the 47th APPNA Summer Convention 2024, which took place from July 3-7, 2024.

About Summer Meeting

Reconnecting Associations and celebrating our achievements with camaraderie and purpose.

The KEMCAANA Summer Meeting and Banquet on July 5th was a wonderful occasion for reconnecting with colleagues and friends from King Edward Medical University (KEMU). Remotions from various parts of the USA and Canada gathered to reminisce about their days at KEMU and create new memories. This meeting provided an excellent opportunity to strengthen bonds and continue the tradition of camaraderie among Kemcollians in both the USA and Pakistan.

This event featured a welcome by the Secretary of KEMCAANA, a recitation of the Quran, and the national anthems of Pakistan, the USA, and Canada. The President of KEMCAANA introduced the Executive Committee and delivered an address, followed by a brief speech from the APPNA President. The gathering paid tribute to Dr. Aisha Zafar and Dr. Nomaan, and Dr. Mohammad Aslam presented the mission statement. Dr. Naseem Shaikh recognized Dr. Jamal Khan, and a special video was shown.

Mark Your Calendars: KEMCAANA Winter Meeting 2024

I am pleased to announce that the highly anticipated KEMCAANA Winter Meeting will take place on December 10th and 11th, 2024, at the King Edward Medical University in Lahore. This year's meeting will feature engaging scientific sessions and valuable CME talks. We are expecting a large turnout and a productive event. Don't miss out on this chance to connect with fellow members, learn from experts, and contribute to our community. More details, including registration information, will be available soon. We look forward to seeing you there!

Shehzad Khan, MD
President KEMCAANA 2024

KEMCAANA Chapters Creation

The Constitution and Bylaws Committee of KEMCAANA is pleased to announce that the amendments in Bylaws for the creation of KEMCAANA Chapters has been approved by the KEMCAANA General Body. These amendments were shared in the Annual General Body Meeting on July 5th, 2024 and emailed for approval. The majority of the General Body has approved these changes to create KEMCAANA Chapters.

The Constitution and Bylaws Committee, Executive Committee, and Council of KEMCAANA have already approved these amendments, and now these amendments are adopted and part of KEMCAANA Bylaws.

KEMCAANA Observership Program

KEMCAANA United States clinical experience is overseen and run by KEMCAANA, in collaboration with a team of Kemcollians. This valuable experience provides our graduates with the opportunity to apply their classroom knowledge in a real-world healthcare setting. Here are some pictures of all graduates during observership with one of these Kemcollian faculty members.

KEMCAANA Foundation in Pakistan Now Operational

We are delighted to announce the successful establishment of the KEMCAANA Foundation Pakistan. With the opening of our USD bank account in Pakistan, we are now fully operational and ready to make a positive impact on communities across the country. This is a significant milestone for KEMCAANA, and we look forward to the opportunities it will bring.

KEMCAANA Ka Poetry & Art

CELEBRATING INDEPENDENCE DAY

پاکستان زندہ باد، پاکستان زندہ باد

(While Pakistan is facing many challenges)

Seventy seven years have passed,
Since the creation of our beloved Pakistan,
On August 14, Independence Day is celebrated,
By Pakistanis everywhere around the globe.

To achieve independence and freedom for us,
Many brave people sacrificed their lives.
We should fondly remember those heroes,
And learn about their remarkable journeys.

Today all Pakistanis should remind themselves,
Why did the founders create Pakistan?
And they also need to ask themselves,
What have they done for their nation?

Our leaders should do soul searching,
Have they fulfilled their promises?
Are they taking care of the public,
And have they made a real positive difference?

We need to keep asking ourselves,
How can we improve our homeland effectively?
Let us today make a promise to our Pakistan,
We will do everything to help it turn around.
Long Live Pakistan,

Pakistan Zindabad.

SUBJECT: - SIGNING OF MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN GOVERNMENT OF PAKISTAN AND M/S KEMCAANA FOUNDATION

Dear Sir,

This is to inform you that the Government of Pakistan is pleased to register and sign MoU with M/S KEMCAANA Foundation for a period upto 31st December 2026 for the project "Scholarship Program, Patients Healthcare & Upgrade Infrastructure for Medical Education" located in Punjab, with the following conditions;

i. Annual Action Plan (APA) of every new Activity/Project involving foreign funding will be required to be submitted to EAD along with the Project and Financing Agreement with the Donor/INGO such in time before commencing the project
ii. Organization will seek concurrence of EAD if it changes its thematic area of working and expands geographical location of its activities other than that given in the signed MoU.
iii. Organization will work with registered INGOs.
iv. Not to use controversial terms like "Peace & Conflict Resolution, IDPs etc in your annual reports or any other Documents/Correspondence/Agreements.
v. Organization will not employ any individual of Indian and Israeli nationality/origin.
vi. The organization will declare to the Government all foreign contributions, along with the terms and conditions of those contributions, as well as details of all bank accounts maintained by it. The organization will maintain accounts under internationally recognized accounting standards, get those accounts audited on an annual basis by a registered Chartered Accountancy firm and will provide to the Government a copy of the audited annual statements, along with a certificate from the Auditors to the effect that the foreign contributions have been utilized for the objectives of the organization as specified in the MOU.
vii. Organization shall receive foreign contributions through banking channel only. However, while doing so, it will have to comply with the Anti Money Laundering and other relevant rules as per applicable in Pakistan
viii. Limit your work to concrete socio-economic activities.
ix. NGO will not indulge in any advocacy related activity during project execution.
x. NOC for current project only; completion report will be forwarded by NGO to EAD.
xi. No deviation from stated project and location without security clearance from EAD.

2. Duly signed MoU, in original, is enclosed herewith.

With regards,

(Muhammad Nasir Azam)

Mr. AbdulRaoef Ganey,
Senior Technician
Cape Peninsula University,
South Africa.

SUBJECT: **INVITATION AS GUEST SPEAKER FOR DISPENSING OPTICIANRY WORKSHOP AT COLLEGE OF OPHTHALMOLOGY AND ALLIED VISION SCIENCES FOR 07-DAYS FROM 28TH JULY, 2025 – 04TH AUGUST, 2025.**

Dear Mr. Abdulraoef Ganey,

College of Ophthalmology & Allied Vision Sciences (COAVS), King Edward Medical University / Mayo Hospital, Lahore, Pakistan, is one of the most leading institutions imparting ophthalmic education in Pakistan.

The College is working for eradication of blindness in the country through Human Resource Development in Ophthalmology by training Doctors, Nurses, Optometrists, Allied Eye Care Professionalls and Primary Health Care Workers. We run a two year Diplpma Program in Dispensing Opticianry in COAVS under Human Resource Development Project.

COAVS has arranged a 07-days workshop in Dispensing Opticianry for faculty and students. As a foreign guest speaker, COAVS will be delighted to invite you as guest speaker for this workshop from 28th July 2025 to 04th August 2025 to provide comprehensive training, technical support and facilitating a quality standard assessment for Opticianry and Optometry services which aims to improve quality eye health care.

Your expertise and experience will be an excellent addition to our Dispensing Opticianry Program. We look forward to hear and learn from you. All expenses in connection with this visit, including accommodation and return airfare will be paid for by the College of Ophthalmology & Allied Vision Sciences, Mayo Hospital, Lahore, Pakistan.

COAVS is looking forward to having you as a foreign guest speaker. We await for your response in affirmative. If you require any further information, please do not hesitate to contact me.

Thank you.

Social Connectedness and Community Engagement

4.1 Community Service Projects at University Level

1. Number of community service projects conducted

I. Health-Related Community Activities

- **School Health Screening and Preventive Health Education**
  (Health assessment of school children, identification of common health issues, hygiene and lifestyle education)
- **Geriatric Health Assessment and Elderly Care Education**
  (Visit to Convalescent home, Health assessment of elderly residents, education on nutrition, hygiene, chronic disease management, and mental well-being)
- **Annual Free Medical Camp for Underserved Community**
  (Free camp at Mandian Wala Barki Road, Lahore .Medical consultations, health screening, preventive advice, and referrals to Mayo Hospital Lahore)

II. Educational Outreach Program

- **Research Literacy and Mental Health Awareness Sessions**
  (Introduction to research fundamentals, mental health awareness, coping strategies, and help-seeking behavior to students participating in internship program with collaboration of Friends of Mayo)
- **Congo Virus (CCHF) Prevention and Public Awareness Campaign**
  (Community education at cattle markets, symptom recognition, safe animal handling, and dissemination of helpline information)

III. Community Development Program

- **Basic Life Support (BLS) Skills Training for Youth**
  (Hands-on training in CPR, emergency response, and first aid through internship collaboration with Friends of Mayo)

IV. Community Outreach Activities

- **Tele nutrition Services and Digital Health Counseling**
  (Free nutritional guidance, disease-specific dietary counseling, lifestyle modification education in tele medicine department of mayo hospital)
- **AI in Medicine Awareness and Innovation Workshop**
  (Introduction to AI-based diagnostic tools, algorithms, and future trends in medical education)

2. Measurable Impact / outcomes of the projects

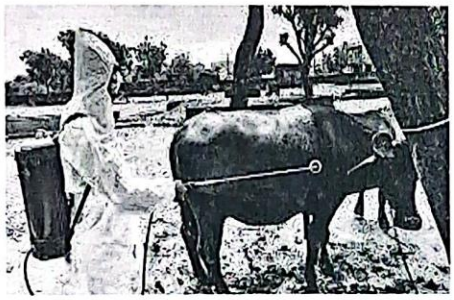
بکرا منڈی میں کانگو وائرس سے بچاؤ

کانگو وائرس کیا ہے



کانگو وائرس ایک خطرناک وائرس ہے جو جانوروں، خاص طور پر مویشیوں (گائے، بکری، بھیڑ) میں چیچڑ کے ذریعے پایا جاتا ہے۔ یہ وائرس انسانوں میں جانوروں کے خون یا گوشت سے رابطے کے ذریعے منتقل ہو سکتا ہے۔

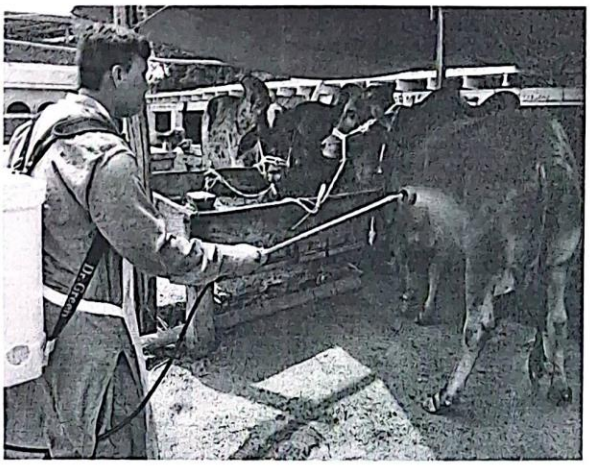
کانگو وائرس کی علامات انسانوں میں

- اچانک تیز بخار
- شدید سر درد، جسم میں درد، جوڑوں کا درد، پیٹ درد، متلی / قے۔
- آنکھیں سرخ ہونا، چہرے / گردن پر سرخی۔
- ناک، منہ، مسوڑھوں یا پیشاب میں خون آنا۔
- چکر آنا یا بے ہوشی۔

اہم حفاظتی اقدامات

- جانوروں کے قریب جاتے وقت مکمل آستین والی قمیض، موٹے دستانے، پائنچے اور بند جوتے ضرور پہنیں۔
- جانوروں کے جسم (خاص طور پر کان، گردن، پیٹ) پر چپکے چیچڑ فوراً محفوظ طریقے سے ہٹائیں (ننگے ہاتھوں سے نہیں!)۔

ڈیپارٹمنٹ آف کمیونٹی میڈیسن، کنگ ایڈورڈ میڈیکل یونیورسٹی لاہور



- صفائی کا خاص خیال رکھیں
- جانوروں، ان کے فضلے یا گوشت کو چھونے کے بعد ہاتھ اچھی طرح صابن سے دھوئیں۔
- جانوروں کے باڑوں، ذبح گاہوں اور اوزاروں کو روزانہ بلیچ (Bleach) سے صاف کریں۔
- ذبح کرتے وقت ہمیشہ ڈسپوزایبل (Disposable) دستانے، ماسک، عینک اور پیش بند پہنیں۔
- بیمار یا مریل جانور ہر گز نہ ذبح کریں۔ ان سے کانگو وائرس پھیلنے کا خطرہ بہت زیادہ ہوتا ہے۔
- فضلہ (آنتیں، خون، کھال وغیرہ) کو جلائیں یا زمین میں گہرا دبا دیں۔ عام کوڑے میں نہ ڈالیں۔
- بیمار جانوروں کو پہچانیں اور الگ کریں۔
- اگر جانور بخار میں ہے، کمزور ہے، بے چین ہے یا اس کے جسم سے خون رس رہا ہے تو اُسے الگ کر دیں۔
- ذبح گاہ اور جانوروں کے بیٹھنے کی جگہ کو دن میں کم از کم دو بار ضرور صاف کریں۔
- کا باقاعدہ سپرے کروائیں۔ چیچڑ مار ادویات استعمال کریں۔
- اپنے کپڑے روزانہ گرم پانی اور صابن سے دھوئیں۔

فوری اطلاع دیں

1. ایسی علامات کی صورت میں فوراً نزدیکی سرکاری ہسپتال سے رجوع کریں۔
2. متاثرہ جانوروں کی اطلاع فوراً محکمہ لائیو سٹک پنجاب کی مندرجہ ذیل ہیلپ لائن پر کریں۔

February 05-08 | APAO Hong Kong 2026

Prof. Dr. Muhammad Moin, Regional Secretary for Pakistan, Chair of the Leadership Development Program (LDP) Standing Committee and Council Member at the Asia-Pacific Academy of Ophthalmology (APAO), represented Pakistan at the 41st APAO Congress in Hong Kong, held in conjunction with the 37th Annual Scientific Meeting of the Hong Kong Ophthalmological Symposium. The event serves as a major platform for the exchange of the latest research, innovations, and clinical practices in eyehealth.

Broadcasting

Better Vision!

Prof. Muhammad Moin, Principal COAVS, answered live calls and shared essential preventive care, while bridging the gap between expert eye care and the community. Hammad Fareed, Private Secretary, facilitated media coordination.

Photo (Left to Right): Martin Essl (Founder, Essl Foundation), H.E. Lindsay Skoll (British Ambassador to Austria & Permanent Representative to the UN), Prof. Asad Aslam Khan (Provincial Coordinator for Control of Blindness, Punjab), Ms. Farhana (Programme Manager, PEEK, UK), and Michael Fembek (CEO, Zero Project).

FEBRUARY 18-20 | ZERO PROJECT CONFERENCE, VIENNA

Prof. Asad Aslam Khan represented Pakistan at the Zero Project Conference 2026 in Vienna, engaging global leaders on disability inclusion.

PEEK UK received global recognition at the UN Office in Vienna, highlighting Pakistan's impactful eye care model.

Since 2018, the PEEK programme has screened 7.8 million people and delivered services to 0.5 million across Pakistan.

February 25 | Five-Day CADR (Community Action For Disaster Response) Training in coordination with Rescue 1122.

The program was conducted under the directive of the Principal COAVS, Prof Muhammad Moin, and aimed to enhance institutional preparedness and emergency response capacity among faculty, staff, and students.

Participants received structured training in:

- Basic Life Support (BLS) and CPR
- Fire safety and evacuation procedures
- Disaster risk reduction principles, First aid and Emergency response

March 03 | 12th KEMU/Mayo Hospital Ophthalmology Preparatory Course

The 12th KEMU/Mayo Hospital Ophthalmology Preparatory Course concluded this quarter, training **27 postgraduate residents** from across Punjab in intensive mock examinations. The two-day program included rigorous TOACS, structured viva sessions, and formative assessments, bridging the gap between theoretical knowledge and clinical application.

A total of 21 expert trainers, each contributing their specialized expertise across multiple sessions, guided the postgraduate residents under the organization of **Prof. Muhammad Moin, Dr. Salman Hamza and Dr. Awais Asghar.**

February 05 | A Landmark for Optometry

The Allied Health Professionals Council (AHPC) has released the Competency Framework and Scope of Practice for Optometrists in Pakistan, setting national standards for competencies, clinical responsibilities, and professional boundaries aligned with WCO and WHO benchmarks.

This landmark framework aims to enhance patient safety, standardize education, and promote uniform clinical practice nationwide. Sahibzada Hakim Anjum Nadeem, from the faculty of COAVS, played a key role as a core author and Punjab representative on the AHPC Advisory Committee for Optometry.

January 15 | History Book, Legacy in Print

COAVS documented its 25-year journey in a book, with Dr. Arif Hussain, Community Ophthalmologist; Sara Ikram, Public Health Educationist; Mr. Hammad Fareed, Private Secretary; Ayesha Sarfraz, Orthoptist; and Ayesha Saleem, Optometrist contributing significantly to the write-up of this milestone first edition, brought to fruition under the direction of Principal Prof. Muhammad Moin.

The official launch of the book, "A Journey of Vision: From Expertise to Accessibility" (Silver Jubilee 1999–2024)", was held at Asad Auditorium. The event saw participation from all former principals, Ms. Munazza Gillani, Country Director Sightsavers and Mr. Farooq Awan, Country Director FHF.

February 16 | Ophthalmic Nursing Excellence

A COAVS student, Rubina Bashir, secured the prestigious **2nd position in the Punjab Nursing Board examinations**, with the Ophthalmic Nursing class achieving a 100% overall result in the board exams. Heartfelt appreciation to the instructor, Abida Asghar for this inspiring excellence.

Monitoring & Evaluation

As part of the recommendations from the Quality Standard Assessment Tool (QSAT), COAVS arranged clinical monitoring visits from 10th to 12th February to 20 optometry clinics in District Sargodha under the PIEH project, in collaboration with Sightsavers. The visits were conducted by senior optometrists, Mr. Muhammad Anwar and Ms. Sidra Anwar from COAVS, to improve the efficiency and effectiveness of eye care services at these centers.

During the visit, the team also held an advocacy meeting with the District Health Administration Sargodha, including Dr. Adnan Asghar (CEO Health), and Mr. Aziz ur Rehman (PO PIEH). The CEO Health appreciated the eye care services at district level and assured full support at all levels for further strengthening of the program.

On 17 February 2026, a joint monitoring visit under the **INSPIRE Project** in District Sheikhupura was conducted by Mr. Khurram Shahzad (Sightsavers) and Mr. Shahid Sohail (COAVS) to assess service delivery, equipment functionality, and compliance across selected health facilities.

Safeguarding awareness posters were displayed across various locations under the INSPIRE and PIEH projects to promote protection, safety, and awareness among communities and healthcare stakeholders.

Closing Ceremony of the 165th Annual Sports Gala at King Edward Medical University

The 165th Annual Sports Gala of **King Edward Medical University (KEMU)** concluded in a grand celebration of athletic spirit and university pride, uniting students, faculty, and esteemed guests in a vibrant closing ceremony.

The event was honored by the presence of **national tennis icon Aisam-ul-Haq** as the chief guest. Joining him were **MPA Ziaullah Shah**, Parliamentary Secretary, and **Professor Khalid Masood Gondal**, Vice Chancellor of Fatima Jinnah Medical University, attending as special guests. Their participation underscored the significance of sports in academic institutions.

The ceremony witnessed an impressive turnout of dignitaries, including **KEMU Vice Chancellor Professor Dr. Mahmood Ayyaz**, **Registrar Professor Muhammad Imran**, and a host of senior faculty members such as Professor Mukhtar Hassan Randhawa, Professor Khalil Rana, Professor Abrar Ashraf, and many more. MS Lady Willingdon Hospital, **Dr. Saeed Ahmed**, and senior journalist **Wasif Nagi** from *Jang News* also graced the occasion.

In his inspiring address, **Aisam-ul-Haq** commended the university's efforts in promoting sports alongside academics. "As athletes, our mission has always been to bring pride to Pakistan. I am confident that the doctors of King Edward will also make strides in both sports and medicine," he said, encouraging students to pursue physical well-being with the same passion as their medical education.

Professor Abrar Ashraf Ali, Staff President, welcomed the guests and provided an overview of the week's dynamic sporting events. He acknowledged the hard work and commitment of the **Sports Club**, especially **Secretary Ali Ahmad** and **Lady Secretary Ume Habiba**, whose leadership ensured the gala's success.

Addressing the gathering, **Vice Chancellor Professor Dr. Mahmood Ayyaz** highlighted KEMU's proud legacy of promoting holistic development. "KEMCOLIANS have always shined beyond the classroom. Physical fitness complements academic excellence, and sports foster teamwork, resilience, and leadership," he remarked. He also extended appreciation to Professor Abrar Ashraf Ali and the organizing committee for executing a memorable sports week.

The sports gala featured an array of entertaining and competitive events, including **faculty badminton**, **spoon race**, **chatti race**, **three-legged race**, **staff race**, **musical chairs**, and more. Prizes were awarded to winners, adding excitement and joy to the festivities.

The ceremony concluded with applause and encouragement for all participants. Both **Professor Mahmood Ayyaz** and **Aisam-ul-Haq** applauded the university's commitment to a balanced student experience, urging the youth to continue striving for excellence in both **academics and athletics**.

The 13th Annual Allied Sports Gala

CHAPTER-11: UNIVERSITIES BUILDING LEADERSHIP

KING EDWARD MEDICAL UNIVERSITY, LAHORE

KING EDWARD MEDICAL UNIVERSITY AWARDED BASIC LIFE SUPPORT (BLS) FRANCHISE BY THE AMERICAN HEART ASSOCIATION

King Edward Medical University (KEMU) proudly announces a major achievement in its ongoing pursuit of excellence in medical education: **the conferment of the prestigious Basic Life Support (BLS) franchise by the American Heart Association (AHA)**.

This recognition marks a **transformational milestone** for the university, reflecting our deep-rooted commitment to advancing life-saving medical training and fostering a culture of clinical excellence.

The **Vice Chancellor, Professor Dr. Mahmood Ayyaz**, along with the entire KEMU faculty, extends heartfelt gratitude to **Professor Abrar Ashraf** and **Professor Uzair Qureshi** for their **exceptional leadership, vision, and dedication**. Their tireless efforts have played a pivotal role in bringing this international honor to the university.

A Commitment to Saving Lives

This franchise empowers KEMU to deliver **AHA-certified Basic Life Support courses**, enhancing the competencies of our medical students, postgraduate trainees, and healthcare professionals. With this development, KEMU aims to:

- **Strengthen its Emergency Medicine, Surgery, and Cardiovascular programs**

- **Raise standards of patient care through internationally recognized training**
- **Foster collaborative research in emergency and life-saving interventions**

In his congratulatory message, **Vice Chancellor Prof. Mahmood Ayyaz** thanked the American Heart Association for entrusting KEMU with this vital responsibility. He also acknowledged the unwavering efforts of the **core implementation team** — **Dr. Umar, Dr. Sajid, Dr. Hina, Dr. Hafsa, and Dr. Akif** — whose commitment and expertise have been invaluable in achieving this milestone.

> "This is more than a franchise; it is a symbol of our mission to train competent, compassionate, and skilled healthcare providers. We are proud to stand alongside the American Heart Association in delivering world-class life-saving education."
>
> – *Prof. Dr. Mahmood Ayyaz, Vice Chancellor*

Looking Ahead

This achievement not only elevates the academic and clinical profile of King Edward Medical University but also **ushers in a new era of standardized emergency response training** across Pakistan. As an AHA-accredited BLS Training Center, KEMU will now be a hub for disseminating critical life support skills to medical professionals nationwide.

CHAPTER-14: OFFICE OF RESOURCE GENERATION/ DEVELOPMENT

KING EDWARD MEDICAL UNIVERSITY, LAHORE

Chapter-14: Office of Resource Generation/ Development

14.1 Initiatives and implementation

Development schemes plan is updated as per requirements raised by end users and approved by Vice Chancellor.

Financial plan in form of annual/ cost estimate is prepared yearly as per requirement by P&D department by qualified Engineers posted in the department. Drafted proposal is forwarded to Treasure Department for financial scrutiny and funds availability status. Then Plans approved by the Competent Authority (Vice Chancellor).

For mega projects, PC-I forwarded to funding authority for approval and availability of funds in coming financial year. This proposal is also reviewed/checked by concerned committees of the University.

P&D Department prepares the list of development schemes to be executed in coming years along with-it rough cost estimate. The same schemes are sent to treasurer office for confirmation of funds availability to execute. The Treasurer Department present these schemes in Finance & Planning Committee at first stage for its recommendation, then to the syndicate and senate for final approval. However, in case of mega development projects funded through ADPs and PSDPs, funding agency releases the grant as per financial phasing of the projects subject to availability of funds.

Campus Committee under the Chairmanship of Vice Chancellor and Monitoring Committee evaluate the plans at initial, interim, and final stage of projects. In addition to above, HEC and Punjab Government also evaluate the plan in their Project Progress Review Meetings. (ADPs/PSDPs) through physical and financial progress targets.

Master Plan of KEMU Campus is available and updated with the subsequent infrastructure development executed with the approval of Syndicate, Government of Punjab, and Higher education commission.

Master Plan of New Campus of KEMU is in progress and will be ready for approval soon.

KEMU has successfully submitted the PC-IV (Project Completion Report) of following Development Project funded through PSDPs:

1. Strengthening of KEMU, Lahore.
2. Construction of Girls Hostel at KEMU, Lahore.

However, the concept Note has also been submitted to HEC for Establishment of New Campus of KEMU at Muridke-Narowal Road, District Sheikhupura.

Conceptual plans of following schemes submitted to HEC and SHC& ME department Govt. of the Punjab.

- Construction of Admin and Academic Block (Establishment of New Campus KEMU).
- Establishment of Undergraduates Skills Lab at KEMU, Lahore.
- Rehabilitation of Boys Hostel Old Building Hall Road, KEMU, Lahore.
